

AP United States History

French-Indian War and Results

- Effects of British victory from the Seven-Years War
 - Treaty of Paris-1763: England gets a lot, France loses a lot, Spain trades Florida for a lot of land in Western America
 - French are considerably more tolerant to the Native Americans
 - French are now largely gone from the region
 - Tensions between British and Natives sour without amiable French
 - Example: Pontiac's Rebellion
 - Indian tribes attack regions near Detroit, British refuse to defend colonists
 - Royal Proclamation of 1763: establishes colonization limit at Appalachian Mountains
 - Ineffective: colonists ignore this law in spite of 10k British soldiers
- Paxton Boys - PA - 1763
 - Fifty armed Pennsylvania settlers surprise Conestoga village
- Regulators - South Carolina
 - Violence between Scottish/Anglo-American settlers and Cherokees during war with France
 - Vigilante justice
